Professional Experience

Vontobel Asset Management AG — Zürich, Switzerland
Working Student, Data Automation — 05.2026 - *Present*

- Developed and optimized custom VBA Excel automations for an 8-person team, increasing overall workflow efficiency by 30% and saving an estimated 20+ hours of manual processing per month.
- Architected the VBA export layer for the database integration, automating the conversion of raw Excel data into perfectly validated CSVs to ensure zero-error uploads into the internal product database.

Walter Höhn AG — Wädenswil, Switzerland
Apprenticeship followed by employment as a qualified carpenter. — 08.2018 - 03.2023

- Independent performance of on-site installations for customers.
- Documented and maintained project specifications, material lists, and process workflows.

Projects

Automated Portfolio Pipeline — 07.2026 - 10.2026

- Automated my portfolio dashboard with a Google Apps Script that imports Interactive Brokers data via Flex Queries into Google Sheets.

Awards

1st Place (ElevenLabs Track), ArtTech Hack, ETH Zürich — 23.10 - 25.10.2026

Additional Experience

Athletic Training and Personal Development — Asia, Australia, South America
Sabbatical II: Muay Thai training and travel — 07.2024 - 05.2025
Sabbatical I: Muay Thai training in Thailand — 04.2023 - 07.2023

- Demonstrated exceptional adaptability and independence by overcoming language barriers as the sole foreign athlete on a professional team and self-navigating a multi-continent travel itinerary through Laos, Thailand, Australia, Chile, and Brazil.
- Committed to three- and six-month stints of intensive Muay Thai training, taking my skills from daily conditioning all the way to a competitive match.

Skills

Languages German (native), Spanish (native), English (B2+), French (B1)

Programming Python, R, SQL, VBA

Tools Git, Helix, LaTeX, Linux, macOS, Nushell, VS Code

Other Passions

- Passionate about personal finance, investment strategies, and portfolio optimization.
- Committed to a healthy lifestyle through Muay Thai training and running.
